Fanfare  
Gigue  
Arabian Dance  
Coquette  
Exit Music

I wrote out the ornaments so you could hear them on play-back.  
The Keyboard drone and the Finger Cymbals are omitted.  
Feel free to chose your own accompanying instruments.  
You might even want to add an improvised counter-melody.

\* For the *glissando* rub the 4th finger over the hole then up (go either way) so you get a real slide!  
*Take your time so it's pretty!*
