

David William Fitzgerald
1927-2003

Round in 4 parts for singing and for Tenor Recorders.
The parts enter every two measures. Each part performs the melody twice.

The fourth part, which is left alone at the end, holds the final G (see directions below).
Make a little *ritard* there so the piece comes nicely to an end.

Da - vid, we miss you, friend and com-pan - ion. You gave us joy in mu-sic.

May your dreams be re - al-ized as we play and sing to - day. _____

*If the piece ends
with your part, hold
the G for 4 counts
and forget the D.
